America's Most Promising Perennial...

DAYLILIES (Hemerocallis)

The modern daylily can hardly be compared with its forbears of 20 to 25 years ago. When the numerous American hybridizers turned their attention to this splendid perennial during the 1930's amazing results soon became evident. New colors, including pinks, reds, purples and intermediate shades, unknown to the average gardener, were developed until now only a white and blue daylily have yet to become a reality. Also gorgeous yellow shades represent so much improvement over the older yellow varieties. And in addition to the exciting new colors better flowers that are elegantly formed and longer lasting, increased and superior branching, and best of all, everblooming tendencies are now to be found in many varieties.

PICARDY
Distinctive rose wine self on 4 foot stems. A most attractive variety. July-August. **\$1.00 each**

DAUNTLESS
Large flaring creamy yellow with faint rose halo. July-August. **75c each**

CHENG TU
A very fine orange-red Daylily. In addition to its sparkling color the plant is exceptionally vigorous and increases rapidly. 3 feet high. July. **75c each**

GRANADA
A brown Daylily and one of the best of its color. Usually bright for a brown flower. **75c each**

REVOLUTE
Large rich golden yellow. Petals interestingly twisted. 3 feet. **\$1.00 each**

SERENADE
Those who are fond of the pastel colors will enjoy this delicate blend of light pink and yellow. **75c each**

RAJAH
Candy colored flowers of orange-red with deep mahogany centers. Blooms heavily. July-August. **75c each**

MIKADO
A splendid Daylily that is most popular. The color is dark orange with a mahogany red throat; 3 feet. July-August. Re-bloomer. **50c each**

AUGUST PIONEER
Chrome-orange with red flush. Flowers in profusion. One of the very latest to bloom. August-September. **75c each**

BAGDAD
Bright red and warm brown combine in a rich and pleasing effect. 3 feet. July-August. **50c each**

Any 6 varieties for \$3.95

All 10 varieties for \$5.00

Daylilies shipped up to June 1st.

Daylilies will do well anywhere and thrive equally well in the extreme southern and most northerly parts of the country. They are permanent perennials which we unreservedly recommend to anyone. They withstand drought, excessive moisture, sun or shade and will bloom under any or all of these conditions. We know of no other perennial to which we can make so many claims.
